6.2 You are only entitled to an Online affiliate Cashback if:

- You visit the Webshop through the Woolsocks Platform;
- You do not visit any other Webshop during the online purchase;
- You enable all cookies of the relevant Webshop to allow the Website to track the online purchase;
- You use a browser without adblockers;
- the Webshop approves the Transaction;

- Woolsocks reserves the right to cancel and/or not to grant any Cashback in case any of the conditions are not fulfilled.

6.3 If a cashback Transaction is not recorded in Your Cashback Sock 72 hours after an online purchase, You can submit a ticket to report the undetected online purchase. Such ticket should include ordering details and proof of purchase. This must be done within 30 days after the online purchase. Woolsocks will attempt to find out why the online purchase was not detected and whether the cashback can be granted. Woolsocks is not obliged to handle undetected online purchases that are older than 30 days.

6.4 Woolsocks uses commercially reasonable efforts to ensure that Online Affiliate Cashback transactions are accurately tracked and credited to Your Cashback Sock. However, the tracking of online purchases relies on the technical methods, systems, and implementation choices of the relevant Webshops and their affiliate networks, over which Woolsocks has no control. Accordingly, even where You comply with all conditions set out in clause 6.2, Woolsocks cannot guarantee that every online purchase will be detected, recorded, or result in a Cashback payment. Woolsocks shall not be liable for any failure or delay in tracking, recording, or paying a Cashback that is caused by the unavailability, inaccuracy, or unreliability of the tracking mechanisms operated by Webshops, affiliate networks, or other third parties.

7 MAGIC GIFT CARDS

7.1 Woolsocks and/or any of the partners on the Woolsocks Platform can award You Magic Gift Cards at their sole discretion and under the conditions they might define from time to time.

7.2 A Magic Gift Card might be awarded to users that fulfil the conditions defined in the Woolsocks Platform and Woolsocks can also make Magic Gift Cards available for purchase in the Woolsocks Platform.

7.3 A Magic Gift Card is not a payment instrument and cannot be used at any point of sale.

7.4 The value of a Magic Gift Card is rewarded to Your Cashback Sock after You make a purchase using a payment instrument linked to Your connected bank account.

7.5 Therefore, a Magic Gift Card can only be used with a connected bank account on the Woolsocks Platform.

7.6 The Magic Gift Cards are part of the Auto Reward Service. The applicable terms of the Auto Reward Service apply accordingly.

7.7 Where Magic Gift Cards are distributed as prizes through the Win Promotion (spin wheel) feature, Woolsocks may limit the number of active unshared giveaway Magic Gift Cards You can hold in Your wallet at any one time.

8 GROCERY CASHBACK

8.1 Grocery cashback can be offered in the Woolsocks Platform.

8.2 By uploading a picture of a receipt eligible for Grocery Cashback, You are eligible to a specific Cashback after purchasing a certain product. The right to this Grocery Cashback may be subject to further conditions, which can be stated on the Woolsocks Platform and may need to be accepted by You to participate in the Grocery Cashback. The conditions for a promotion may deviate from these General Terms and Conditions. Where appropriate, any contradiction, the terms of such promotion shall prevail over these Terms and Conditions, insofar as it relates to a promotion to which those terms apply.

8.3 To make use of the Grocery Cashback, You must first purchase the product in question. The purchase can be made in any store that carries the promotional product in the range listed in the Woolsocks Platform and/or the specific promotion conditions. To participate in the Grocery Cashback, You then must upload a picture of the receipt of the product in question to the Woolsocks Platform. The date and time of the upload of the receipt to the Woolsocks Platform are the time of submission regarding the eligibility for the Grocery Cashback or promotion, for which the data on the Woolsocks Platform is considered as compelling evidence, unless You can demonstrate that the data is incorrect and/or that You have uploaded the receipt at another time.

8.4 Unless otherwise stated, a receipt can only be used once per promotion, per account number and per person.

8.5 The picture of the receipt must at least meet the following requirements and contain the following information:

- It must be original, legible and sharp (photographed) and in good quality, to be received by Woolsocks in a timely manner;
- A description of the purchased product as specified in the Offer;
- The purchase price of the product and any other discount promotions must be clearly legible;
- The (company) name of the (web)store where the product was purchased;
- The (location) place of the store where the product was purchased;
- The date and time when the product was purchased;
- Receipts (printed on A4) obtained from the supermarket service desk do not count as original receipt and are not processed;
- When purchasing a product from a web store, the order details must also be sent in addition to a receipt.

8.6 Woolsocks has the right to reject a picture of a receipt at any time, partly because, in Woolsocks' opinion, it does not meet the requirements listed in this Article, the picture (is partly) blurry or illegible, the receipt contains (manual) adjustments or Woolsocks doubts the legality of the receipt for any reason.

8.7 You guarantee that the data provided under this provision is correct, complete and up-to-date. Woolsocks is not liable for damage resulting from incorrect, incomplete or information that is not up-to-date provided by You.

8.8 The payment of the Cashback to You is at all times dependent on Woolsocks' acceptance of the receipt and the payment by the provider of the Cashback to Woolsocks. Woolsocks is never obliged to pay any Cashback to You, insofar as Woolsocks has not received the (full) amount from the provider and Woolsocks also does not accept any liability for this.

8.9 When the receipt has been accepted by Woolsocks and Woolsocks has received amount from Provider, Woolsocks will pay the Cashback amount to You within two working days to Your Cashback Sock in the Woolsocks Platform.

8.10 If You return or cancel a product or service that allows You to participate in an Offer, the right to participate lapses and You are obliged to provide and/or return any benefits, return cashbacks and/or discounts to Woolsocks.

8.11 You must keep the original receipts for 4 weeks after the Action has ended.

8.12 If You have used a discount in the (web) store, Woolsocks will calculate the Cashback over the total amount (minus the retail discount) of all purchased promotional products, such as:

- With a 1 + 1 promotion in the (web) store, You receive 50% cashback over the total amount of 2 pieces. For example: 2 products of € 5.00 for € 2.50. Woolsocks gives 50% Cashback = € 1.25 over this total amount.
- With a 2 + 1 promotion in the (web) store, You receive 33.33% Cashback over the total amount of 3 pieces.
- With a 2nd half price promotion in the store, You receive 50% cashback over the total amount of 2 pieces.

8.13 The maximum discount on alcoholic beverages is legally restricted in some jurisdictions and may also be limited in Your country of residence. The maximum Cashback on alcoholic beverages is therefore limited to this legal maximum, calculated from the recommended price. When You purchase the promotional product cheaper, the difference of the Cashback amount will be deducted.

9 BROWSER EXTENSION

9.1 Woolsocks makes available a browser extension (the "Browser Extension") for web browsers, which can be downloaded and installed from browser extension distribution platforms such as the Chrome Web Store. The Browser Extension complements the Woolsocks App by providing cashback activation reminders and voucher suggestions while You browse the internet on Your desktop device.

9.2 By installing and using the Browser Extension, You acknowledge and agree that the Browser Extension will detect when You visit the website of a partner merchant and may display notifications showing relevant cashback or voucher deals available through the Woolsocks Platform.

9.3 When You reach the checkout page of a partner merchant, the Browser Extension may read the displayed basket total on that page in order to suggest a suitable voucher amount. This information is processed locally and is not stored by Woolsocks beyond what is necessary to display the suggestion. The Browser Extension may use automated technology, including AI-assisted processing.

9.4 The Browser Extension only processes information on the current web page You are visiting. It does not record Your browsing history across unrelated websites.

9.5 You may disable or uninstall the Browser Extension at any time via Your browser's extension settings. Disabling the extension does not affect Your Woolsocks account. The use of the Browser Extension is subject to these General Terms and Conditions and to the Woolsocks Privacy Statement.

The Subscription Switching Services are provided through Woolsocks' integration with Overstappen.nl, operated by Overstappen.nl B.V., the Netherlands ("Overstappen").

10.2 By using the Subscription Switching Services, You authorise Woolsocks to pass Your personal data — including but not limited to Your name, address, date of birth, and product-relevant details (such as Your current insurer, vehicle registration, or energy consumption) — to Overstappen for the purpose of generating personalised quotes from third-party providers.

10.3 You acknowledge that Overstappen's terms and conditions govern the switching process and that Woolsocks is not a party to any agreement concluded between You and a third-party insurance or utility provider. Woolsocks may receive a commission from providers when You complete a switch through the Woolsocks Platform.

10.4 Where You complete a switch to a new insurance or utility product, Your statutory cooling-off rights under applicable law may apply.

10.5 Woolsocks is not responsible for the products, pricing, availability, or quality of service of any third-party provider accessed via the Subscription Switching Services.

You can only participate in and use a specific promotion if You act in accordance with these General Terms and Conditions and the specific Promotion Conditions. Late, incomplete or incorrect entries or - if applicable - when the total number of available Cashbacks for a specific promotion has been reached by You at the time of submission will not be processed.

11.2 Participation in a specific promotion of a Provider is subject to the following terms and conditions:

- If applicable, You buy the specific product of the promotion in a (web)store of Your choice and keep the receipt.
- You activate the specific promotion in the manner indicated on the Woolsocks Platform. This almost always requires an upload of a picture of the receipt, whereby the receipt must at least meet the requirements as included in these Terms.
- You, if applicable, can also scan the barcode of the product using the Woolsocks Platform.
- You, if applicable, choose the correct specific promotion by checking it.

In some cases, the receipt can be used for multiple promotions at the same time.

- You fill in all requested (personal) data and complete the request. The current Privacy Statement is part of these General Terms and Conditions; when using a specific promotion, You also expressly accept them (again).
- You guarantee that the information provided is correct, current and complete. Woolsocks is not liable for any damage resulting from incorrect information.
- Participation in a specific promotion and/or submitting a receipt is only possible until 11.59 pm on the day the specific promotion ends.

- Applications are processed in order of entry to the Woolsocks Platform. When a specific promotion has limited numbers and these available (limited) numbers have all been used, no application can be made and/or will it not be handled by Woolsocks, even if the product has already been purchased by You.

You acknowledge and agree that the decision to cancel a savings goal and the associated forfeiture of cashback is irreversible.

12.6 Woolsocks reserves the right to modify or adjust the percentage of cashback refunded upon savings goal cancellation at its sole discretion. Any modifications to the savings goal cancellation policy will be communicated through appropriate means, including publication on the Platform.

12.7 All redemption options may be subject to additional conditions, as displayed on the Platform.

14 INSTANT PAY-OUT

14.1 If You have a connected bank account in the Woolsocks Platform, You may choose to enable Instant Payout function for faster payout of pending Cashback that has not yet been confirmed by the Webshop or affiliate network.

14.2 Woolsocks can restrict the use of the Instant Pay-out function considering, for example: (i) whether You have an active bank account connected to the Account Information Services; (ii) Your Cashback Services usage and history; (iii) the rejection rate of pay-outs by the shop where the online purchase took place to Woolsocks; and (iv) Your probability of default calculated based on Your payment data.

Woolsocks does not store raw card numbers on its own servers beyond what is strictly necessary to provide the service. Card data is retrieved in real-time from Creo's systems.

19.3 You may top up Your card balance through the Woolsocks application. Top-up payments are processed via Mollie B.V. and are subject to Mollie's payment terms, which are made available during the payment flow. Woolsocks acts solely as an intermediary in communicating the top-up instruction to Creo's systems. The actual

balance is held and managed by Creo. Woolsocks does not hold, manage, or guarantee the availability of funds on Your Creo card. Top-up transactions are final once confirmed. Woolsocks is unable to reverse a top-up that has been successfully processed. In the event of a dispute relating to a top-up, You should contact Woolsocks Support in the first instance. Woolsocks will make reasonable efforts to liaise with Creo and/or Mollie on Your behalf, but cannot guarantee a specific outcome.

19.4 In order to provide this service, Woolsocks shares the following data with Creo: (i) Your relation number and selected student association; and (ii) the amount and reference of any top-up transactions initiated by You. Creo processes this data as an independent data controller for the purposes of fulfilling the card top-up and providing card information. Users are referred to Creo's own privacy policy for information on how Creo handles personal data. Woolsocks does not share Your Woolsocks account data (such as bank transaction data, cashback history, or financial profile) with Creo or with the student association.

19.5 The Creo card integration is provided on an "as is" basis. Woolsocks is dependent on the availability and accuracy of Creo's systems and cannot guarantee uninterrupted access to card balance information or transaction history. Woolsocks is not responsible for: (i) the accuracy, completeness, or timeliness of card data provided by Creo; (ii) the availability of the Creo service or any disruptions caused by Creo or the student association; (iii) any charges, fees, or costs applied by Creo or the student association in connection with the use of the card; or (iv) loss of funds or balance on the Creo card due to circumstances outside Woolsocks' control. In the event of discrepancies between the balance or transactions shown in Woolsocks and those recorded by Creo, the data held by Creo shall be considered authoritative.

19.6 You may unlink Your Creo card from Woolsocks at any time via the application settings. Unlinking a card does not affect the card's validity or the balance held with Creo. Woolsocks may suspend or discontinue the Creo card integration at any time, for example if the cooperation with Creo or the relevant student association ends, without prior notice and without liability to You.

19.7 Woolsocks does not provide payment services and is not a payment service provider. All payment processing, top-up handling, and management of card balances are carried out by third parties such as Mollie B.V. and Creo B.V., each acting under their own terms and conditions and where applicable under their own regulatory authorisations. Woolsocks' role is limited to displaying the relevant information within the Woolsocks application and facilitating the communication between You, Creo, Mollie, and the relevant student association. Woolsocks may charge a fee to You and/or to the student association for providing and operating this front-end functionality, which fees (where applicable) will be made available through the Woolsocks Platform or agreed separately with the student association.

23 STOCK POINTS

23.1 Woolsocks may offer Stock Points ("Stock Points") on the Woolsocks Platform. Stock Points are a reward that represents a proportional value towards the purchase of a stock in a participating company. For clarification purposes, Woolsocks does not provide investment services and Stock Points do not constitute shares, financial instruments, a currency, or any form of monetary value.

23.2 100 Stock Points received under the Stock Points programme represent the value of one full stock of the relevant participating company. For example, if an eligible user makes a purchase for EUR 100 and the then-applicable conditions award 5% (EUR 5) in Stock Points, and the stock price of the company is EUR 10, the user receives 50 Stock Points.

23.3 To onboard for the Stock Points Service, You must verify Your telephone number and complete Your profile on the Woolsocks Platform. By accepting these terms, You authorise Woolsocks to share Your personal data (including purchase history in the relevant merchant or store, name, telephone number, address, and email) with the participating company for direct marketing purposes. Stock Points may be earned through, for example, the Online Affiliate Cashback Service, the Auto Reward Service, or the Grocery Cashback Service, as applicable.

23.4 Stock Points expire twelve (12) months after the date on which they were awarded, unless redeemed prior to the expiration date. Partial redemptions do not extend the expiration date for remaining unredeemed Stock Points. Expired Stock Points have no value and cannot under any circumstances be transferred, redeemed, or reinstated. It is Your sole responsibility to monitor and redeem Stock Points before expiry.

23.5 Stock Points can only be redeemed by onboarding with BROKR Ltd. on the Woolsocks Platform. Stock Points cannot be transferred, paid out, or otherwise redeemed. Once You have onboarded with BROKR Ltd. and are accepted as a client under their General Terms and Conditions, You may exchange the value of Your Stock Points to make a purchase of a stock in the participating company, if You, at Your own initiative and under Your own risk, wish to do so. Woolsocks and/or BROKR Ltd. may define additional conditions for redemption at their sole discretion.

23.6 Woolsocks reserves the right to limit the amount of Stock Points per purchase, merchant, and/or calendar month, to cancel Stock Points in case of fraud or abuse, or to amend the expiration period at any time.
